It is a beautiful summer day.
George the kitten goes on holiday.

Mum wants to help George.
"Have you got shoes?" she asks. "Shoes?"
says George. "No, I haven't!"

George packs his bag and says:
"I must take some clothes. I have got t-shirts.
I have got jeans. But... what else?"

"Take your shoes, then!" says Mum and smiles.
"Good idea!" says George. Mum gives
George shoes. George is happy.
He puts the shoes in his bag.
